

Selective Call Acceptance...

Decide which calls you'll take.

To use Selective Call Acceptance:

1. Lift the handset and listen for dial tone.
2. Press *64 (On a rotary phone, dial 1164.)
3. An announcement will tell you whether the feature is turned on or off and how many numbers are currently stored on your list.
4. Follow the instructions to turn Selective Call Acceptance on or off.
5. Additional instructions will tell you how to:
 - Review the numbers on your list.
 - Add a new number to your list.
 - Remove a number from your list.
