

Three Way Calling..

Allows you to talk to two people in separate locations at the same time.

To enable Three Way Calling:

1. Establish a normal two party call.
2. Flash the switchhook. Recall dial tone is returned, and the first party is put on soft hold.
3. Dial the number of the next party. Ringing tone is returned if the line is idle. When the ringing party answers, flash the switchhook and all three parties are connected.

To leave Three Way Calling:

1. A called party can leave the call at any time, simply by replacing the handset. When the caller disconnects, the called party is disconnected.
