

Call Forwarding...

Lets you answer your calls when you are away from your home or office.

To enable Call Forwarding:

1. Lift the receiver and wait for dial tone.
2. Press *72 (on a rotary phone dial 1172)
You will hear bursts of tone indicating that your command has been accepted.
3. Dial the number of the party to which your calls will be forwarded. When the called party answers, Call Forwarding is enabled.
4. If the line is busy or there is no answer, repeat steps 1 to 3. No answer is required on the second attempt.

To cancel Call Forwarding:

1. Lift the receiver and wait for dial tone.
2. Press *73. (on a rotary phone dial 1173)
You will hear bursts of tone indicating that your command has been accepted.
3. Call Forwarding has been cancelled.
