

Call Waiting..

Know when another caller is trying to reach you.

Call Waiting is enabled by your telephone company :

1. When you are using the telephone, a special tone tells you a second call is waiting.
2. Simply press and release the 'switchhook' on your telephone. You are connected to the waiting call.
3. To return to the original caller, simply press and release the 'switchhook' again.

To leave Call Waiting:

1. Hang up.
2. Your phone will ring.
3. Answer and you will be connected with the remaining caller.
