

## *Calling Name and Number...*

See who's calling before you  
answer the phone.

How to use Calling Name and Number:

1. When you receive a call, wait until your telephone completes the first ring.
2. The telephone number calling you and the name associated with that number in telephone company records will automatically appear on your display screen.
3. If you choose to answer the call, the name and number will remain on the screen until you or the caller hangs up.

Please Note: Special telephone equipment is required.  
Please ask your Telephone Company.
